Northern Arizona Transportation Providers Participate in a Workshop to Improve Services

In a response State and Regional mandate for improved transportation coordination, representatives from various transportation providers congregated on September 28 at the Moenkopi Legacy Inn for a six hour workshop to discuss ways to “Build Partnerships in Tribal Mobility”.

The focus of this initial workshop was to provide a forum for dialogue amongst *all* providers in order to better serve citizens in northern Navajo and Apache Counties. A local, four-person planning team including administrators from Hopi-Senom Transit, Moenkopi Senior Center, Office of Health Services, Office of Aging & Adult Services collaborated with the NACOG transportation staff for three months in preparation for this inaugural meeting. Approximately 18 participants

attended. The result was a prioritization of the both strengths and weaknesses of the tribal transportation network; and exercises to better understand service overlaps and gaps.

The next Tribal Mobility workshop is tentatively scheduled for January 2012. Parties or organizations interested in learning more or participating in these workshops should contact, Judy Polingyumtewa, Transit Administrator at jpolingyumtewa@hopi.nsn.us or 928-734-3231.

Davis Chevrolet Treatment System Ribbon Cutting

A ribbon cutting ceremony was held on October 24, 2011 at the Moenkopi Legacy Inn & Suites for the Davis Chevrolet Treatment System.

The Environmental Protection Agency (EPA) hosted the event. Chairman Shingoitewa, several Tribal Council Representatives, Hopi Environmental Protection Office, and Navajo representatives were on hand to celebrate this event.

Over the past 5 yrs, EPA has worked closely with the Navajo Nation and the Hopi Environmental Protection Office to investigate/evaluate and implement a remediation system to clean up the former fueling operations at the Davis Chevrolet service station. The former service station was located on the Navajo Nation and the contamination from this facility impacted both the Navajo Nation and Hopi Tribe Lands.

Plant operation started in July 2011 and so far, over 200,00 gallons of water has been extracted, treated and returned to the ground for reuse.

This project is the largest cleanup project on tribal lands in the country.

From the Desk of the Chairman

Hopi Tribal Employees,

This month we celebrate Native American Heritage month, Veteran's Day and Thanksgiving. Let's all take a moment to thank those who have served to protect us and the freedom we enjoy daily. Thank you to the Hopi Veterans Services for advocating and providing services to these individuals.

November is Diabetes Awareness month and I encourage you to visit with the Hopi Special Diabetes Program and see what fun activities they have planned for the month. They are doing a great job in providing awareness to this disease and are working hard to provide programs to decrease the prevalence of diabetes. Thank you to the Hopi Special Diabetes Program.

Thanksgiving gives us all a time to celebrate with our families and give thanks for all that we have. I want to thank each of you for the contributions that you have made to the Hopi Tribe. We have a lot to be thankful for, many of our programs are known nationally for the work that they do. HEPO has been working hard to clean up the water in the Moencopi area and we are fortunate to have EPA assist in this. The Office of the Revenue Commission worked hard and brought the spotlight to Hopi during the Arizona State Centennial celebration in Prescott, AZ. These are just to name a couple. There are many programs who provide our Hopi people with the much needed services as well. Thank you and let's continue to work toward accomplishing our program goals.

Kwah Kwah

Chairman Shingoitewa

From the Desk of the Vice Chairman

- My office is involved in Budget Oversight Team (BOT) on the 2012 Budget. The BOT is reviewing program/department requests before finalizing for presentation before Hopi Tribal Council.

- On October 25-26, 2011, I attended an Intertribal Council of Arizona (ITCA) Health Steering Committee with the purpose of preparing questions for the interview of a Phoenix Area Indian Health Service (IHS) Area Director. Finalized Area Director job advertisement has not been made by the national IHS office in Washington DC.

- On October 27, 2011, I attended a national Housing of Urban Development (HUD) meeting in Phoenix, AZ on discuss and make recommendations on left over HUD funds. Tribes were sought on their recommendations on whether those funds should be fully expended by tribes or returned to HUD. Hopi's stance is the remaining funds be expended by tribes in the manner they agreed to with HUD officials.
- The First Mesa Consolidated Village (FMCV) water department requested assistance on the area's need for emergency supply of water. My office prepared Executive Order (EO) "*Emergency Water Shortage for First Mesa Consolidated Villages and Polacca*" for Chairman's approval. The signed Order allowed for establishing an Incident Command under the direction of Mr. Paul Saufkie and allowed Mr. Saufkie to mobilize needed resources to respond to this emergency in the form of personnel, water tankers, and sanitation facility units. The Emergency was resolved on Thursday, October 27, 2011 when a new water pump was installed. The EO covered October 24, 2011 to November 4, 2011.
- At our October 17, 2011, Council meeting, Mr. Selanhongva McDonald, BIA, Special Agent, Phoenix, Arizona informed Council, Mr. Jamie Kootswatewa is the new Chief of Police for the Keams Canyon Hopi Agency, effective October 10, 2011. Congratulations to Mr. Kootswatewa!

Continued on page 5

From the Desk of the Chief of Staff

Greetings Hopi Tribe Team,
 With the Halloween Costume contest still on my mind, I hope this finds you all in good health and spirits. It was great to see all the employees laughing and having a good time—thanks to all the Departments and Programs that provided “treats” for the children visiting from the local schools.

Speaking of events, I want to thank the Royalty from all the schools for joining our staff and Chairman in the parade in Tuba City. Also a big Kwa Kwah to the Revenue Commission for your support in putting the float together and being there early in the morning to get everything organized. Keep an eye on the Revenue Commission they are gaining momentum in all of their projects.

With the Veterans Day activities planned, please take the time to remember and honor those in your family that have served to protect not only Hopi but our fellow U.S. citizens. Right now around the world our young men and women are serving honorably in many different roles. Our Hopi Veterans Services department continues to serve those folks with advocacy and transport to their appointments. Please take the time to drop them a note of thanks for all they do.

As the days get shorter and the temperatures get cooler please take the time to inventory your program vehicles. Do they have the equipment you need to help you in an emergency? Road flares, blankets, water, flashlights and other gear can save your life if you break down on the range or on a remote road. Leaders—take time to see that your folks have these items. Remember to plan ahead and let each other know when you are leaving and when you are expected to arrive. Please be safe out there!

Curtis Honanie, Chief of Staff

Executive Schedule—November 2011

Oct. 31) NCAI Conf. Portland Oregon	1). NCAI Conf. Portland Oregon	2) NCAI Conf. Portland Oregon	3) AZ Broad-band Development Council – Phx, AZ	4) NAU 4 Corners Sustainable Futures Summit—Flagstff, AZ
7)	8)	9) ITCA Executive Committee Conf. Call	10)	11) <i>Veteran’s Day Holiday</i>
14)	15) Hopi Economic Forum-Moenkopi	16)	17)	18) ITCA Tribal Leader’s Meetings, Phoenix, AZ

Please Note: Executive schedule is subject to change on short notice. If you would like to schedule a meeting with the Chairman, please contact Nicole Honanie, Executive Secretary at (928) 734-3102 for availability. Thank You.

HEEF KICKS OFF 2011 ALUMNI CHALLENGE

Submitted by Sam Tenakhongva, HEEF

2011 HEEF ALUMNI CHALLENGE

For the eighth year the Hopi Education Endowment Fund (HEEF) will be holding their annual Alumni Challenge. The goal of the Challenge is to not only raise at least \$6,000.00 from HEEF supporters but also to engage Hopi alumni and provide them with an opportunity to give back to their community for its support in reaching their educational goals. Mrs. LuAnn Leonard, HEEF Executive Director and NAU alumna, stated, "This is a great way for Hopi college grads to say thanks and give back to the Hopi Tribe for the scholarship support they received while pursuing their degree(s)."

Kicking off on October 15 and running through November 18, 2011, the Alumni Challenge will pit alumni of the three Arizona state universities and a group of "other" colleges/universities in a competition to see which group can raise the most funds over a 4-week period. According to the Arizona Board of Regents website the average cost for resident undergraduate tuition and fees for students entering in 2010 is \$8,010.00 for the three in-state universities. After receiving federal financial aid, many students still experience a need of at least one-third of their educational costs. The HEEF acts as a secondary source of funding to try to meet that needs for Hopi students. For the 2010-2011 Academic Year alone, the HEEF was able to provide funding for more than 127 Hopi students at an average of \$2,209.00 per Fall/Spring semester and for 31 students an average of \$1,644.00 for the summer semester.

To make a contribution on behalf of your alma mater the HEEF is accepting donations via cash, check, money order, and credit/debit card (VISA/MasterCard). The HEEF is a non-profit entity of the Hopi Tribe. All contributions are tax-deductible and all participants will be recognized on our website. For more information on the alumni challenge or to make a contribution contact the HEEF at (928) 734-2275, via e-mail: heef@hopieducationfund.org Weekly pledge totals will be posted at www.hopieducationfund.org, twitter.com/HEEF and the HEEF Facebook page.

UPDATE

The Hopi Education Endowment Fund (HEEF) is in the **Second** week of its **8th Annual Alumni Challenge**. The Alumni Challenge is a fundraising campaign that pits alumni of the three Arizona state universities and a group of "other" colleges/universities in a competition to see which group can raise the most funds over a 4-week period. The campaign kicked off on **October 15th** and will run through **November 18th**. Below are the updated totals as of 10/25/11:

University of Arizona - \$25
Arizona State University - \$75
Northern Arizona University - \$150
Out of State/Other - \$0

Total: \$250
Needed to meet GOAL: \$5,750

Hopi & Tewa Parents Needed for Focus Group

The HOPI Cancer Support Services Program will be sponsoring a series of group discussions to find out what Hopi and Tewa parents know and think about the Human Papillomavirus (HPV) and the HPV Vaccine. The group discussion will be held throughout the Hopi Reservation from November 14-18, 2011. The feedback gathered during the group discussions will be used to develop educational material and programs to help make sure parents are learning about this important health issue. The focus group discussions are part of a research project sponsored by the National Cancer Institute.

To participate in the focus group discussions you must be an enrolled member of the Hopi Tribe, currently residing on the Hopi Reservation, and the parent of a daughter who is between the ages of 8 and 18. Participation is completely voluntary. Each group discussion will include 8-10 Hopi and Tewa parents, with separate groups for mothers and fathers. During the 2-hour group discussion participants will be asked what they know and think about HPV, the HPV vaccine and their opinions on whether or not Hopi and Tewa parents would or would not vaccinate their daughters. The discussion will focus on each person's thoughts and opinions about HPV and the HPV vaccine. All focus group participants will receive a \$40 Walmart gift card to thank them for their time and valued opinions.

To learn more about the focus group discussions or to sign up to participate, please contact Olivia Dennis, HPV Project Coordinator, at the HOPI Cancer Support Service Program Office. Olivia can be reach by phone at (928) 734-1150 or (928) 734-1151, or by email at odennis@hopi.nsn.us.

Office of the Vice Chairman cont...

- My staff assistant met with the Hopi-Tewa Women's Coalition to End Abuse seeking their assistance in evaluating and designing a new tribal Domestic Violence program, developing indicators for documentation of services, formalizing a partnership and seeking new grant funding for continuation of DV services. The Coalition has experience as a "best practice" model that will continue to be developed. The Coalition, in partnership with the Hopi Tribe will strengthen the government to government consultations, legislative initiatives and lobbying for grant funding in the future. I have taken the position that I support a "hands are not for hitting" campaign which targets elementary school and younger adults in the Hopi communities. I fully endorse and support the direct service and coalition programs on Hopi.
- My staff assistant convened a Revenue Projections Work Team. The purpose of the Team is to utilize the expertise within the tribal departments to provide consultation to the Budget Team on evaluating the Projected 2012 Revenues. The intent of work session was to implement Action Item #064-2011 that sets out the process for the annual budgeting process. This policy requires that "initial" and "revised revenue estimates shall be submitted to the Chief Executive Officer". The team was invited to be a resource to the Budget Team in sharing their knowledge and expertise to project a better process to project revenues for FY2012. The outcomes of the first work session are the following RECOMMENDATIONS FOR CAPACITY BUILDING:
 - Assemble key players as a Core Team (Duties/responsibilities adopted from the CFRs)
 - Develop Confidentiality Protocol for Core Team & Team Structure
 - Tribal Energy Policy – Policies & Procedures
 - Review and analysis of all mining leases for administrative changes, issue to issue.
 - Review Organizational Chart and staffing plan for monitoring and enforcement of leases
 - Orientation and training on relevant CRFs
 - Funding for OMMR – Review FY 2012 Goals & Objectives

Office of the Vice Chairman cont...

- I am reviewing the Henry and Horne, LLP, Certified Public Accountants (CPA) report along with recommendations regarding the Finance Department. The purpose of the CPA firm involvement at Hopi is to: *“analyze and review certain processes of the government in order to assess current practices and to assist in implementing effective and efficient processes that would benefit the Tribal government as a whole and in particular would permit the Finance department to operate more effectively than it has in the past.”* Some of the findings include, additional staff, effective communication and training on the Accufund system
- My staff assistant attended a meeting between Hopi Tribal Court and BIA on Detention Issues. The purpose of the meeting was to address issues that are of priority to the Hopi Tribal Courts. Relevant issues discussed were:
 - The Eight (8) Hour detention hold will no longer be the practice as of 10/3/11. The main concern is not to release a violent offender without processing through the Prosecutor’s Office.
 - Defendants sentenced in Tribal Court will be picked up by BIA Detention staff or law enforcement officer, if on the premises. Recommendation made that the Court Baliff(s) get training in detainee escorting.
 - BIA Detention Reports to Hopi Tribal Prosecutor will be more detailed and timely on detainee status, including detainee release information. If a violent offender, the Prosecutor’s goal is to protect and inform the victim immediately and work out a safety plan for the victim.
 - The practice by BIA detention to enhance time off (2 for 1) and \$50-\$75/day off fines will no longer be a practice as of 10/3/11. Detention will follow previous Court Administrative Order that sets \$25/day as enhance off fines.
 - The BIA Policy of “Cite and Release” for Juveniles was clarified that intoxication is a “status offense”, not a criminal charge under the JJDPa federal statute. The BIA arresting officer will continue to use discretion to first contact the parents, nearest relative or take to IHS if the juvenile is highly intoxicated for his/her medical safety or notify CPS. If a juvenile violates another tribal law or court probation order, then the booking and detention process will be initiated.
- My staff assistant attended an October 18th, meeting in Flagstaff on the San Francisco Peaks. The sponsor of the meeting was called by the Navajo Medicine Man’s Association. This organization had sent invitations to the various tribes to discuss the use of pristine water to make snow on the San Francisco Peaks. The group, the Southwest Council of Spiritual Guardians, included representatives from the Hopi, Navajo, Supai, Hualapai, San Carlos Apache, Gila River, and the Tohono’Odam. The group shared their concerns on various projects which were occurring in their reservations involving mining and use of water, both which are finite resources. The group were in agreement that they did not support the Navajo Nations decision to use pristine water to make snow, stating that only nature can supply the appropriate moisture to make snow. They will also provide the Hopi Tribe with a letter of support for their lawsuit against the City of Flagstaff. Another meeting is planned for December with a summit to be held in the early 2012.

NAU Unveils Native American Cultural Center

The Native American Cultural Center officially opened on Northern Arizona University's campus in Flagstaff.

The Center, which is the only facility of its kind serving all Arizona tribes will serve as a point of contact for Native groups on campus. Offices and activities at the center will directly support student organizations, recruitment and retention. NAU is home to more than 1,000 Native American students from 105 different tribes.

Native American design features and sustainable principles guided the development and construction of the 12,540-square-foot building. The \$7 million project was funded with \$3 million in donations, including a \$2 million gift from the San Manuel Band of Mission Indians and \$4 million in general university funds.

The opening ceremony began with a program at the University Union Fieldhouse with remarks by NAU President John Haeger and a lineup of speakers that included Regent LuAnn Leonard, tribal leaders and other dignitaries. A ribbon cutting followed at the south entrance of the cultural center, after which visitors toured the new facility.

A silent auction featuring Native American artwork also took place at the center with proceeds supporting educational programming.

REPAC Program Can Help In Difficult Job Market

Submitted by Dave Franquero, REPAC

The numbers don't lie. Unemployment is very high on the Hopi Reservation. The Re-employment, Pre-layoff Assistance Center (REPAC) Program provides important services and vocational training to eligible participants throughout several rural Arizona Counties as well as the 19 Tribal nations. These services include a dislocated worker program that provides on-the-job training, as well as classroom training to equip individuals with the necessary skills to reenter the

Workforce after they have been laid off. The Program is also available to Displaced Homemakers who have lost their primary source of income due to spousal divorce or the spouse losing their job.

Another service of REPAC is Job Search Assistance. REPAC will assist job seekers explore career possibilities, help with job referral assistance, and provide local labor market information. REPAC also offers general services to help individuals find the right job and get it. These services include skills and interest assessments, basic education/GED Classes, resume preparation, individual training agreements to educational providers such as Northland Pioneer College, and referrals to potential community based employers. REPAC also offers relocation reimbursements if an individual moves outside of the area in order to obtain employment.

REPAC has a preemptive aspect by going to businesses who are about to layoff employees and speaking to the individuals who will be impacted. This process is called "Rapid Response".

We encourage those who are laid off or have been displaced to take advantage of these services. Taking advantage of these services is easy and can help provide the foundation for a successful career, career change, or just to find employment.

REPAC works closely with the WIA/Educational Program on the Hopi Reservation. A representative is present each month at either Kykotsmovi or Moencopi attending the Orientations that are held by the Hopi WIA/Educational Program Department. A person may also contact REPAC at 1-800-276-4452.

Hopi Elections Office

THE PURPOSE:

The intent and purpose of the Hopi Elections Office and its Ordinance #34 was established for fair elections for the Chairman and the Vice Chairman of the Hopi Tribal Council and for Tribal Referendum Elections and to insure the secrecy and sanctity of the Ballot.

The elections are carried out by the Hopi Elections Board and a company with whom we have a contract with from Rio Rancho, New Mexico.

HOPI ELECTIONS BOARD:

The Election Board is made up of five (5) regular board members who serve a term of 5 years. Appointed by the Hopi Tribal Council, these members have met the qualifications which are stated in the Election Ordinance #34. Three (3) alternate members also serve when a regular member is unable to serve. Present members are:

Marcelena Lomayaktewa
Shungopavi Village
Chairman of the Board

Alfonso Sakeva Sr.
Tewa Village
Board Member

Not pictured is George Nasafotie Jr. from the Village of Shungopavi.

Two positions for the Regular Board Member are still vacant.

Three alternate positions are presently vacant. If you are interested in any of the positions you may write a letter of interest to Hopi Tribal Secretary's Office and specify which position you are interested in. Send to: Hopi Tribal Secretary, P.O. Box 123, Kykotsmovi, AZ 86039.

2012 PRESIDENTIAL PREFERENCE ELECTION (PPE)

THE OFFICE OF THE HOPI ELECTIONS is gearing up for the 2012 National Presidential Preference Election (PPE) which will be held on February 28, 2012 throughout the State of Arizona. The Hopi reservation has come a long way in participating in the County, State and National elections, this is good news, we are becoming more aware of the issues which surround us and we now see the impacts which can and will trickle down to our reservation. Currently the PPE may be for the Republican and the Green parties, you can also Google 2012 Presidential Candidates to see who may be the candidates.

NAVAJO / COCONINO COUNTY OFFICES UP FOR ELECTION: The Navajo County Recorder's Office, Lori Justman, has the Candidates Packets available for the nine (9) seats which will be up for election; County Assessor, County Recorder, County Treasurer, County Sheriff, County Attorney, County School Superintendent, and the Superior Court Judge (Div. 2, 3 & 4) the Board of Supervisors Packets will not be available until the Navajo County Redistricting has been completed, these may become available by January 2012. This year due to budget cuts the packets will be available only at the Holbrook Navajo County Office in Holbrook, Arizona, the Hopi Elections Office will no longer have them available at our office. You can contact Navajo County Recorder's Office at 1-800-668-3867 or check out their website: navajocounty.az.gov for more information in regards to the upcoming elections.

The Coconino County Recorder's Office, Patty Hansen, also has the Candidate Packets available at their office in Flagstaff or you can go to their website: coconino.az.gov or call them at 1-800-793-6181 for more information in regards to the upcoming elections and the seats which will be up for election.

Hopi Elections Office cont...

DID YOU KNOW YOU COULD REGISTER ON-LINE FOR THE STATE ELECTIONS @ azsos.org or YOU CAN COME TO OUR OFFICE AND REGISTER – REGISTRATION IS ON GOING.

REGISTRATION DRIVE: A Registration Drive will be held at Hopi High School on November 17, 2011 for students and staff. There will also be a presentation by Stetson Lee from the Native American Disability Program. For more information call 928-734-2507 for details. Information students and staff should have on hand to register are: AZ drivers license number or AZ non-operating license number or Tribal enrollment/census number and know the last four digits of their social security number. This registration drive will be for the National and the Hopi Tribal Elections, we are updating registration information and registering new voters, new voters 18 years of age, enrolled or eligible for Hopi Tribal Membership.

HOPi TRIBAL ELECTION REGISTRATION: Hopi Tribal Registrar, Karen L. Shupla, has a jump on updating voter registration. Registering or updating your information will help our office a great deal, by having the proper names and mailing address this will enable the office to get election information to you in a more timely manner. If you receive a letter from our office please fill out the form and mail it back or deliver it to our office. For those who have come back to the Hopi Reservation or have moved away in the last two years and have not updated your mailing information, please be sure to update. There are several ways you can do that; you can call our office at 928-734-2507, email at hopielections@hopitelecom.net, or stop by our office and request for a registration form. We are located on Second Mesa adjacent to the Hopi Arts & Crafts Guild which is next to the Hopi Cultural Center.

NAVAJO COUNTY REDISTRICTING: The Navajo County Redistricting Advisory Committee will hold an open public meeting on Tuesday, November 8, 2011 beginning at 1:00 p.m. in the Navajo County Board of Supervisors' Chambers located in the Navajo County Governmental Complex in Holbrook, Arizona. They will be discussing the updated and revised redistricting plans for the Navajo County Supervisorial Districts and the Northland Pioneer College Precincts.

SOMETHING TO SHARE WITH FAMILY AND FRIENDS LIVING IN WINSLOW,AZ: A new group has been formed comprised of Navajos, Hopis and other tribes, to bring information on elections. As Natives living in Winslow they are looking for support from their Tribes for various issues they are facing. Karen L. Shupla, has met with the group to inform the Hopis who are a part of the group about the Hopi Tribal Elections. Hopis in the Winslow area are encouraged to attend meetings so that you can become informed in the area of all elections, some individuals have never registered with their tribe nor the city, county, state and the national elections. The team of Navajo County, Navajo Tribe and the Hopi Tribe have and will continue to assist this group in learning more about their specific areas of elections. The regular meeting days are Tuesdays at the St. Paul church, just behind Safeway, in Winslow. Don't forget our Hopis living at the Hopi Housing area, they are living in Coconino County and the Hopis living in town are within the Navajo County area. For more information in regards to this new group you may call our office at 928-734-2507.

100th CENTENNIAL OF THE STATE OF ARIZONA: February 14, 2012 will be the 100th Centennial Anniversary of the Statehood of Arizona and the best way to kick off the event is to have Mr. Robert Flores, Special Projects Coordinator I, from the Arizona Capitol Museum come to your students, villages, special interest groups to provide information on the History of Arizona. Our office has worked with him in the past years as he has worked with the Arizona Secretary of State's office providing interpretations of the Propositions which appear on the State election ballots, we provide the translations for the public to better understand the propositions. Mr. Flores can be contacted at 602-926-3827 or rflores@lib.az.us or you can also contact our office.
