A Community Forum for Navajo and Hopi Citizens

Tribal Leaders Welcome! Your Voice Can Make a Difference.

**Saturday, November 12, 2011, Hopi Veteran’s Memorial Center; Kykotsmovi, AZ. 11:00 a.m. to 4:00 p.m.**

Critical issues face the Hopi Tribe and the Navajo Nation concerning our water, coal, environment, culture, and economy. Learn about the issues and require our elected leaders to take action on these important issues. Their decisions will affect our tribes for hundreds of years to come. As tribal members and stakeholders we must take responsibility for our future by becoming informed and holding our elected officials accountable. Knowledge is Power!
